INDIANA BROILERS

Indiana produces high quality broiler chickens in both the northern and southern parts of the state.

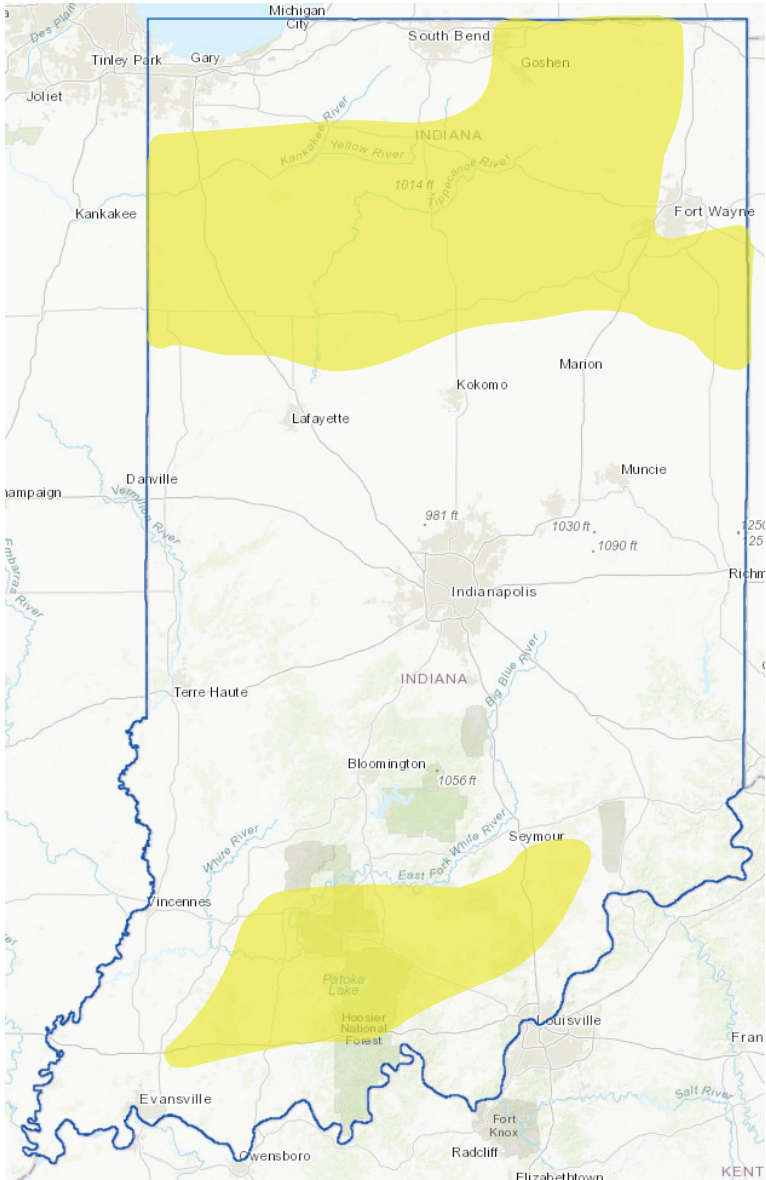

INDIANA DUCK

Indiana leads the nation in duck production, producing 60% of the nation's duck. In addition to whole ducks for domestic and export markets, duck is further processed into ready-to-eat products. Duck feathers and down are also marketed for clothing and bedding.

INDIANA EGG LAYERS

Indiana is in the top three egg producing states in the nation, and is 2nd in the production of egg-laying chickens. Indiana egg farmers produce shell eggs and liquid, dried and frozen egg products.

INDIANA TURKEY

Indiana is 4th in the nation in turkey production, producing 20.5 million turkeys this year. Three commercial turkey processing facilities in Indiana produce breast meat, ground turkey, and turkey legs and thighs. About 20% of Indiana's turkey production is exported.
